

DJ Akavelli Skywalker

"Vibing and Groovin"

Hey there...

My name is AKASH, known as DJ Akavelli Skywalker.

I've been into music for many, many years and I'm influenced by the way grooves disco house and obviously soul and funk, of course...!!!

This is my vibe and what I'm gonna be playing on the radio, churning up the happy hormones, bringing on the great moods.

I will also be bringing great views and thoughts for my listeners, inspiring them, and promoting well-being of others.

So why not tune in and listen to some fab music and inspirational thought provoking conversations with DJ Akavelli Skywalker

AND.....

If you want to get in touch, send in a request or two, or maybe join me on my show, you can email me on:
