

Heyoooo DJ Vic in the building!!!

Welcome to The Victorious Man Show..!!!

Where me, your very own host will be speaking with guests about our supernatural power of disabilities: Looking at all the different types of disabilities and how to deal with them....

Hi my name is David and my DJ name is Vic short for Victorious Man.

I suffer from Dyslexia and Scoliosis. I am a Techpreneur and Musician, playing the piano and drums, creating music.

I 'used' to be a breakdancer and am into Sociology in a big way....

I am the Founder, Chairman and CEO of my business, Smash Enterprise LTD, and I am also a Manager/Musician/Composer of a Record Label called Damage Record. I have heaps to offer and lots to talk about, so why not tune in on an inspirational journey of strength and resilience, where the words, 'GIVE UP' do not exist...!!!
